DESIGNER · CAD DRAFTER

SUMMARY

Multidisciplinary designer and CAD and Revit drafter with experience across technical drafting, architectural design, retail store planning, and environmental graphics. I turn concepts and design ideas into physical solutions clients can use right away, using AutoCAD, Revit, Rhino, Twinmotion, and Adobe Creative Suite. I bring strong file organization and a calm approach under pressure that keeps projects moving.

EDUCATION

Indiana University — Bloomington DEC 2025

BA Comprehensive Design (Architecture Focus)
