CURRICULUM VITAE

SUMMARY

CAD/Revit drafter and space planner with 2+ years of experience, including internships, producing build-ready drawings, specifications, and space plans in Revit, AutoCAD, and Inventor. Surveyed 17 retail stores to design a modular display system, built a 647-configuration Excel database, and taught 32 students Revit and Twinmotion as a teaching assistant. Graduated from Indiana University with a BA in Comprehensive Design (Architecture Focus).

EDUCATION

Indiana University – Bloomington DEC 2025

BA Comprehensive Design (Architecture Focus)
Minor, Urban Planning & Community Development 3.4/4.0 GPA

DeKalb High School 2023

Core 40 with Technical & Academic Honors

PROFESSIONAL EXPERIENCE

CAD/Revit Drafter MAY 2026 – PRESENT

Chicago Dryer Company – Full Time – Chicago IL

- Turned 647 machine connection configurations into one structured Excel database.
- Deliver 7 build-ready equipment drawing sets a month in Revit and Inventor.

CAD Drafter & Assistant Process Manager MAY 2025 – AUG 2026

Bowers Engineering Services – Part Time – Auburn IN

- Sorted an unorganized file server; created and implemented a numbering system by project and type.
- Delivered 40 steel-structure projects in 16 months, part-time, as AutoCAD plans for manufacturers.
- Read engineering drawings and specifications to guide manufacturers in building steel structures.

Placemaker Intern MAY 2025 – SEP 2025

Indiana University Bloomington – Internship – Bloomington IN

- Merged three competing plans into one library proposal grounded in site conditions.
- Designed a path network and directory connecting five library buildings.

Store Design Intern MAY 2024 – AUG 2024

Do It Best Corp. – Internship – Fort Wayne IN

- Surveyed 17 retail stores to design a modular display system that scales from 634 to 2,814 sq ft.
- Specified a gray slat wall fixture system with custom brackets and an InDesign ordering catalog.

TEACHING

Teaching Assistant JAN 2025 – MAY 2025

Indiana University Bloomington – Bloomington IN

- Taught 32 undergraduates through live demos and lectures on Rhino, Twinmotion, Photoshop, and Revit.
- Supported design development and fabrication of architectural projects through one-on-one and group instruction on industry-standard software.

SELECTED PROJECTS

Rural Revival MIXED-USE DESIGN

Indiana University Project – Waterloo IN

- Designed a mixed-use block with a food hall, bodega, live-work units, gym, plaza, and second-floor apartments.

Public Library East LIBRARY DESIGN

Indiana University Project – Bloomington IN

- Designed a library paired with a bike hub in a brutalist-adjacent style.

Knox County Library PLACEMAKING

Placemaking Project

- Reworked a parking lot into a gathering space with a directory and metro-line-style paths.

Circle K ARCA Car GRAPHIC DESIGN

iRacing Paint Scheme

- Designed a Circle K paint scheme built to keep the brand recognizable at speed from every camera angle.

ADDITIONAL EXPERIENCE

Line Cook & Shift Lead AUG 2022 – MAY 2026

BuffaLouie's – Part Time – Bloomington IN

– Designed the opening print package for the Carmel location: promotional flyers, dine-in and catering menus, and kitchen build-guide boards.

Pond Technician MAY 2023 – AUG 2023

SANCO Industries – Summer – Fort Wayne IN

Foundry Worker MAY 2022 – AUG 2022

Metal Technologies – Summer – Auburn IN

Cashier & Supervisor JUN 2017 – DEC 2021

Bridgewater Golf Club – Seasonal, five seasons – Auburn IN

SKILLS & SOFTWARE

Drafting & modeling: Revit, AutoCAD, Inventor, Rhino, SketchUp, Blender
Visualization: Twinmotion
Graphics & layout: InDesign, Illustrator, Photoshop
Data: Excel
